

REMARKS

Applicant submits these Amendments and Supplemental Declaration for Reissue in response to an Ex Parte Quayle Office Action mailed on November 22, 2006.

Except for formal matters, claims 32, 33, 36, 38, and 39 are in condition for allowance in the Application. Claims 1-31, 34, 35, and 37 have been canceled previously.

Applicant has amended the Specification and Claims 32, 33, 36, and 39 pursuant to 37 CFR 1.173(b) and (d) in order to place the application in a condition for allowance. No new matter is added by these amendments and support may be found in the specification and claims as originally filed.

Applicant makes these Amendments without prejudice or disclaimer. Moreover, Applicant does not make this Amendment to overcome a rejection related to patentability, but rather to expedite allowance of this application.

CONCLUSION

Applicant respectfully submits that the pending claims are allowable. Applicant respectfully solicits the issuance of a timely Notice of Allowance for all pending claims. The Examiner is invited to contact the undersigned by telephone to discuss any matter related to the Application.

Respectfully submitted,

Dated: February 15, 2007
